Advisory Committee Reports to School Board

At a special meeting of the Board of Education Sept. 22, two sub-committee reports were presented to the Albany Board of Education.

Clyde Shumway, chairman of the "Cultural Environment" sub-committee summarized the report of his committee and made two major recommendations: (1) That the Board of Education arrive at a publicly stated set of goals for education which are relevant to the problems of today and the future. He stated that recommendations considered and implemented without a governing set of goals can only result in a "patched-up" system which is likely not to meet today's needs; (2) That the major objective of education must be to teach students how to learn.

"Learning to learn, or problem solving," he stated, "requires a learning environment relevant to today's problems." He added that the memorization of factual knowledge was not the major purpose of education, but that the process of learning should receive major consideration.

The second committee report on "Community Involvement" was presented by Anne Bell, chairman, and members Ed Westbrook and Nancy Taussig.

Four major recommendations were suggested: (1) That the present School Volunteer Program be strengthened; (2) That parent seminars covering curriculum and other significant school developments or problems be continued and ways explored for greater parent involvement; (3) That communications between school and parent be increased through closer contacts with classroom teachers, student prepared news letters, and descriptive curriculum materials; (4) That there be a continuing effort to improve communication with the whole community through newspaper articles, and a speakers committee. The major effort here should be to inform citizens who have limited direct contacts with the schools—such as senior citizens, and those with no children in the schools.

Extended discussions followed the presentation of each of these reports. Among those speaking was AHS student Lynn Berling, who urged the Board and the committee to consider the importance of parent-student-teacher involvement.

The remaining committee reports will be presented on Tuesday evenings at 8 p.m. at Cornell school cafeteria, according to the following schedule:

Last night: special Board meeting, "Early Childhood Education" and "Guidance and Supplemental Education."

Oct. 13: regular meeting, "Physical Education, Athletics and Recreation."

Oct. 27: special meeting, "Social Sciences," "Foreign Language," and "Language Arts."

Nov. 10: regular meeting, "Vocational Education."

Nov. 26: special meeting, "Administration and Personnel Utilization" and "Finances and Community Resources."

Dec. 8: regular meeting, "Mathematics and Science" and "Art and Music."

All parents and citizens interested in the Albany schools are urged to attend these meetings and participate in the discussions.

Senior Parents Meet Oct. 1

A general meeting of parents of Albany High graduates of 1971 will be held at 7:30 Thursday, Oct. 1, in the Little Theater. Members of the class met yesterday to determine what they want in the way of entertainment on graduation night. All suggestions will be considered but no decision will be made until after the general meeting tomorrow night, according to Mr. and Mrs. Russ Huber, who have been elected chairmen of senior parents.

Display Ends Friday

Albany elementary and high school art exhibit at Oakland airport ends Friday.

ACOHR FAMILY PICNIC SUNDAY AT U VILLAGE

Final arrangements have been completed for the Albany Committee on Human Relations family picnic Sunday, Oct. 4, according to Mrs. Nancy Taussig, chairman.

zens of Albany to attend this affair. Baseball, ping pong, volleyball and basketball may be enjoyed by all.

Unanimously elected at the September meeting was the slate of officers presented by Mrs. Joyce Jackson, agenda chairman.

Sherman Reception Here Sunday, Oct. 11, 4-7 p.m.

Alameda County Senator Lewis F. Sherman has announced his selection of cochairmen to head his re-election drive in Albany. They are Martin E. (Marty) Webb and City Attorney Lawrence D. Saler.

The first activity planned by the Albany campaigners will be a no-host cocktail party from 4 to 7 p.m. Sunday, Oct. 11, at 833 Hillside Ave. Senator and Mrs. Sherman will greet Albany voters throughout the hours of this first of a series of Albany public events.

The 27-year old Webb has been deeply involved in community affairs in both Albany and Berkeley. As a five-time president of the Thousand Oaks Merchants' association, he became one of the youngest men in history to head a California merchants' group.

He is currently serving his third term as chairman of Albany Traffic and Safety commission, of which he has been a member five years. He is a director of Berkeley Chamber of Commerce and Workreaction council and a former director and member of Berkeley Jaycees. Webb received this year's Berkeley Jaycee Distinguished Service Award as the person accomplishing the most forward solutions of civic problems and for his service to the community.

Saler is serving his third term as city attorney, having first been elected in 1962. He is currently president of Berkeley-Albany Bar association and is past president of Albany Lions club. Saler also has been a member of the Board of Management of Albany YMCA.

In accepting the appointment by Senator Sherman, Saler said, "Marty and I are pleased to be involved in the Senator's re-election campaign. Lew has been a

responsive and responsible legislator. Members of both parties respect his record of achievement in Sacramento. In his first year, the Capitol Press Corps voted him one of the outstanding freshman legislators and their forecast certainly was correct.

"The Sherman record shows him to be the most effective Senator in the 1970 legislative session. All of his bills, which were passed by both houses of the legislature, have been signed into law by Governor Reagan. It is imperative that he is returned to continue his work for the people of Alameda County.

Car Wash

The senior class of Albany High school will hold a car wash at the Enco station, 990 San Pablo, this Sunday, Oct. 4, between the hours of 10 a.m. and 4 p.m. Tickets are \$1.

Eagles, Auxiliary Free Spaghetti Dinner

Albany Aerie and Auxiliary 2323, Fraternal Order of Eagles, will hold a free spaghetti dinner on Saturday, Oct. 3, at 7:30 p.m. for their members and their guests.

Chairman John Wiles is the membership chairman for the aerie and Kay Schmidt is membership chairman for the auxiliary. Assisting Kay Schmidt is Rose Cook. In charge of decorations is Lynn Neill with Eloise Howard and Grace Roberts assisting.

In charge of the preparation of the dinner will be Myrtle Moncrief. Primary purpose of this dinner is to encourage membership in the Eagles. Those interested in attending please call Kay Schmidt (233-0902) for reservations. She may also be contacted if you wish to help out.

Aerie and auxiliary officers' meeting will be held on Tuesday evening, Oct. 6 at 7:30 p.m. Lyle Goforth, president of the aerie, and Frances Welsh, president of the auxiliary, will preside.

Note of Thanks

We want to thank everyone who helped us during our time of sorrow. A special thanks to Billie Gray, Virginia Morsburg and Edith Letin, who helped us when we needed it the most.

Ellen had many friends because she was a friend herself. In these trying times, it is difficult to raise a good decent family. But she lived every day for her family, home and friends. Life begins in the home. She always said parents must set a good example and she was a shining example for her family.

Our greatest comfort has come from all our good friends. There is nothing more dear than your friends.

Thanks to all the people who sent cards, flowers and other messages of sympathy. They will long be remembered by us.

Fire Prevention Essay Contest

Albany school have been requested by Marty Webb, chairman of the Albany Traffic and Safety Commission, to again participate in the Fire Prevention Essay Contest. Essays should be written during the week of Oct. 5-9, which is Fire Prevention Week.

Materials on fire prevention will be made available to all fifth grade classes through the Albany Fire Department. This material can be used as the basis for class discussion, activities, and the information necessary to write essays.

Fifth grade teachers are asked to submit the four or five best essays from their class to the building principal. These will be judged by a committee of lay people and the first place winners from each school will have their names engraved on a perpetual trophy with presentations at a meeting of the Albany City Council. There will also be a number of individual awards presented.

While the participation in this contest is entirely optional, fifth grade teachers may wish to take advantage of this opportunity to get their students involved in a writing activity which will give students recognition. If you have any questions feel free to call the Director of Instruction.

Knox at High 12

Assemblyman John F. Knox will be featured speaker at the Friday noon meeting of Albany High 12 at Kirby's.

President Sam Dows is chairman.

George Hein was elected president at the last meeting. Installation will be Friday, Dec. 11.

Council Votes to Outlaw Sleeping in Campers Here

Following the recommendation of Police Chief Ralph Jensen, City Councilmen Monday night took steps to outlaw use of vehicles as living quarters in Albany.

The amendment to the City Code will prohibit sleeping, cooking or using sanitary facilities of campers, trailers or converted buses while parked on any city street.

Veterans' Yellow Cab was authorized to increase rates Jan. 1, after a public hearing during which there were no protests.

A request for \$500 for the 25th anniversary of United Nations was held over one week while it is determined whether the local committee, now headed by Carl J. MacWilliams, will need funds as in previous years. Councilman Joe Carlevaro, a longtime booster and volunteer for UN, said he thinks it is time to take a hard look at the organization, which, he said, during the past few years has been "able to do very little in a lot of areas." He added he hopes the UN will be able to "pull us out of the mess all over

the world." Mayor H. F. Call said the UN may have prevented major wars, that it is "hard to tell" how effective it is.

Cablecom-General accepted a franchise to construct, operate and maintain a community antenna television system in Albany. The mayor was authorized to proclaim October as PTA month, an encroachment for two planters on the Marin side of 1000 Talbot was granted and yellow zones were approved for Nick Reckas at 1275 Solano and for the Chrysler-Plymouth agency at 929 San Pablo Ave.

Administrative Officer James B. Turner received approval of the report of weed assessments. Further work on an ordinance concerning disciplinary action for non-uniformed employees was referred to Turner and City Attorney Lawrence Saler.

A resolution commended Gerald Browne for his 40 years of service to the citizens of Albany in the Fire Department.

Former Mayor Joel Parker was in the audience. He introduced Don Fowler, who is a candidate in Ward 7 for East Bay Regional Parks, which includes Albany north of Solano Avenue.

The meeting adjourned at 8:35 p.m.

SENIOR CITIZENS

846 Masonic Ave.

By Margaret Longpre

At 1 p.m. on Oct. 12, Miss Anne Hutchinson will present the film, "African Heritage." A native of San Francisco and graduate of Chico State college, Miss Hutchinson has visited Europe, the Middle East, Pakistan and India and spent three years in Africa.

Tony Haylock, a wildlife photographer, took the pictures. They are worried about dwindling wild life and hope to help preserve this heritage through the showing of this film. A small charge of 50 cents will cover the film and refreshments. The public is urged to attend.

Eight years ago about now, our lovely Senior Citizen building was dedicated. The public is invited to a lunch to celebrate on Oct. 4.

If you live alone, you will be interested in obtaining a bulletin at the Center or Albany Times about Herrick hospital's "Tele-Care" service, which provides a daily telephone call from someone outside your home.

Last Week

The picnic last Sunday sponsored by Albany Inter-Club Council was not so well attended but the few who turned out agreed it was very nice and those attending were very congenial and that means a lot.

A meeting in San Francisco Oct. 17-18 will be sponsored by Legislative Council for Older Americans. If enough elderly people are interested in going, we will charter a bus. Let's hear from you. Topics discussed will

be interesting, including a conference on aging.

Many of those who have been reported ill are returning to the Center now.

Many Seniors are preparing for a trip to the Islands. Bon voyage. Bring your tin cans, bottles and aluminum ware to the Senior Center on Masonic between Sept. 28 and Oct. 4. It will be picked up.

A personal note: Thanks to the animal control officer for being so prompt in answering a call.

If there is such a person in the Times circulation area, call Mrs. Berry at 526-6503 or Mrs. Bell at 524-1913.

THERE WILL be football under the lights at Peony Field Friday night, when Albany High meets Moreau under a demonstration lighting system provided by Alameda County Electrical Contractors. Kickoff is at 8 p.m.

HATS OFF to 19-year-old Robert Nishiyama of Kains Avenue, who worked on the fire lines during last week's disastrous fire in the Berkeley-Oakland hills. The 1968 graduate of Albany High, who now attends Cal State, was

proud that two years of training with Albany Fire department on Albany Hill burn-offs enabled him to assist, not hinder, the efforts to extinguish the blaze.

PLAZA CAR WASH will reopen Monday, Oct. 5, under the new management of Kamer Industries, headed by Murray Stevens. They have been installing gas pumps as an added service to car wash patrons.

THINGS WE'D never know or think about unless George (Rain) Bernard stopped in: His son, AIC Edward Bernard, who has been in Korea for two years, is home until Oct. 31, when he goes to England; George Hollfelder, Solano Avenue jewelry store owner, underwent surgery at Herrick hospital Friday; it should rain about Oct. 8, and it's only three months until Christmas.

Carolyn Conroy Jewelry at City Library

Jewelry by Carolyn Conroy has
been on exhibit at the Albany
Public Library during the month
of September.

Mrs. Conroy studied at the Art
Institute of Chicago and Roose-
velt University. With no formal
training as a jeweler, she started
creating necklaces in 1965 and
has been learning her craft by
the trial and error method.

Mrs. Conroy is interested in
combining natural materials such
as wood, clay and stone with
metal to create jewelry that has
a more sophisticated appearance
than would otherwise be possible.
In experimenting with the wood
beads in this collection, she has
achieved effects not commercially
available, and without damaging
the wood surface has restored the
more natural finish of the wood.
Another quality in her work is
the subtle use of color, texture
and shape to bring harmony to
diverse elements without destroy-
ing the basic integrity of the ma-
terials.

Carolyn was born in Chicago,
and has been a resident of Berke-
ley since 1960. She worked pro-
fessionally as an advertising
copywriter and design and lay-
out artist for trade publications.
Her son, Tom, is a student at
Merritt College in Oakland.

and the Democrats for Healy Headquarters is located at 2801

one of whom included the Democratic Mayor of Albany H. F.
Call. The headquarters opening included the celebration of

New AHS Instructor Plans Hit Broadway Musicals

Ambitious plans for an exciting
season of theater and music are
being made at Albany High
school by D. A. Helsabeck, the
newly appointed director of vocal
music.

As a part of his program Hel-
sabeck is considering for produc-
tion this fall the zany comedy
romp "My Three Angels." Holly-
wood's version of this delightful
piece of theater starred the in-
imitable Humphrey Bogart.

To climax Albany's season, Hel-
sabeck has chosen for spring pro-
duction the great favorite of
audiences everywhere, the hit
Broadway musical "Oklahoma"
by Richard Rodgers and Oscar
Hammerstein II. "Oklahoma" is
the dynamic show that revolution-
ized the American musical
theater.

Casting for both productions
will be open to all students at
Albany High. Those students en-
rolled currently in the Albany
Choir or in the drama classes
will be given prime consideration,
however.

Helsabeck comes to Albany
with notable credentials. He holds
both the B.S. and M.S. degrees
from the University of Wisconsin
at which institution he played
trombone in the band, sang in
the a cappella choir, studied pipe
organ, and performed major roles
in numerous play productions.
Upon completion of his academic
work, he served for five years as
the Director of Speech and
Theater for Dekalb High school
in the university community of
Dekalb, Ill. In addition to his
drama activities there, Helsabeck
acted as chairman of a teaching
team in a federally funded dem-

onstration center for gifted chil-
dren. During the 1967-1968 school
year he served as the president
of his regional professional asso-
ciation of speech and theater per-
sonnel. More recently, Helsabeck
has been a lead performer in the
Bay Area School Theater, a
drama group which performs
classics for young people.

Building a superior vocal music
program at Albany High is the
goal Helsabeck has set for him-
self. Interested students are en-
couraged to consult with him
at their earliest convenience.

Jaycees Endorse Water Bonds

At the Albany Jaycee general
membership meeting Sept. 22, a
slide presentation was given by
Glen Davis of East Bay Water.

Immediately after the presen-
tation, Davis was questioned on
all aspects of the upcoming East
Bay Water Bond Issue which will
come before the voters in No-
vember.

After careful consideration, the
Albany Jaycees voted to fully en-
dorse the bond issue. Other serv-
ice and civic groups interested in
viewing a presentation on the
bond issue should contact East
Bay Water for further informa-
tion.

Holland Receives Letter from Aide To President Nixon

Walter L. Holland, who is campaigning mightily for Jack Healy for Congress, wrote to President Nixon recently asking if he planned to endorse Healy.

Tom Las, the president's special assistant, wrote to Walt that the letter of endorsement had been sent and "the President is hopeful that Mr. Healy can join with other winning Republicans here next January to help organize the Congress."

Healy, a two-time veteran of the Vietnam war, is a member of Legion post 292, for which Walt has been publicist for a hundred years (or more!).

Obituaries

Charles H. Lewis

Funeral services will be conducted at 11:30 a.m. Thursday in the Drawing Room chapel of Ellis-Olson mortuary for Charles Henry Lewis, 52, of Stannage Ave., who died Tuesday in an Albany hospital.

A local resident since childhood, he was a machinist employed in Hayward. Complete details next week.

Helen Freels

The Rev. O. R. Janke of Grace Lutheran church officiated at funeral services Thursday afternoon for Helen Freels, 43, wife of Albany Realtor Gil Freels.

Mrs. Freels died in a Berkeley hospital following a long illness. The well-known Albany lady was an active member of American Legion auxiliary unit 292 and a volunteer for both the March of Dimes and Cancer Society.

The auxiliary conducted brief services Wednesday evening.

A native of Wisconsin, Mrs. Freels was a member of Grace Lutheran church.

Survivors in addition to her husband, Gillum, are three sons, David G. Freels of Sunnyvale, James R. Freels of Fort Ord and

John at the family home, a student at Albany High school. Also surviving are her parents, Fred M. and Harriet Sourbeck, and brother, Donald Sourbeck, all of Sunnyvale.

Interment was at Sunset View cemetery.

Albany Soccer Club Formed

Alameda-Contra Costa Youth Soccer League has announced the formation of the Albany Soccer club, a group which will first spend a few months in developing the game and skills with Albany boys from 8-14 years, to be followed by entry into the two county league in the spring.

Boys in this age group are invited to come to the Albany Memorial Park field on Saturday morning, Oct. 3, at 9:30 a.m. Older boys or other interested fathers who may wish to help teach are also invited.

The new club instructors are both from Albany, Dominic Ng of 827 Madison St. (phone 527-6238) and John Ritchie of 916 Cerrito St. (525-9184). Club coordinator is Clay Berling of 630 Talbot Ave. and further information may be obtained by calling the league office at 549-1414 or evenings at 524-4808.

At the present, plans will include Saturday mornings at Memorial Field, from 9:30 to 11:30 a.m.; however, some after school times may be developed when instructors are available.

No special equipment is needed for boys, but they are advised to wear Keds or soccer shoes, if they have them, and normal play clothes. Be prepared for lots of running, jumping and just plain fun. There are now nearly 4,000 registered youth players in Northern California, not counting house leagues and recreation programs. It is a real antidote for the TV doldrums and doesn't require special ability or body build. Anyone can play successfully regardless of height or weight.
